

CONTEMPLATIVE PRAYER
THE LOVE OF GOD

A SPIRITUAL PRACTICE GUIDE BY KALEO PHOENIX

- ❑ If you could meet God anywhere at all for a one-on-one conversation, where would you meet God? (maybe a beach, a mountain, my room, etc)
- ❑ How would God come to you there? (maybe as a father, a friend, a lover, etc)
- ❑ As you picture God in this place and look God in the face, what expression would you see?
- ❑ Ask God now, what is the *first* thing you want to say to me?
- ❑ Now let's ask God, if I gave You my problem, my question, my challenge, my grief... what would you give me in exchange as a gift? Does that trade interest you? Then pray... God, you can have it.
- ❑ This God you are encountering right now, full of pure love and hospitality, is known in the person of Jesus. The God who is love, the face of God, is Jesus Christ and He loves you so much.
- ❑ Jesus, You are here now... would You tell each of us the Good News Yourself? Let's listen to Him... what is He saying to you?
